3rd Annual National Conference
Canadian Society of Hand Therapists

Montreal, Quebec, Canada

April 23-24, 2010

Dear fellow hand therapists!

It is my great pleasure to invite you to the 2010 Conference of the Canadian Society of Hand Therapists in beautiful downtown Montreal, Quebec, Canada.

Montreal, Quebec is the second largest city in Canada and is a vibrant center of commerce, industry, finance, world affairs, and culture. Montreal is described as romantic, elegant, and a city full of *joie de vivre*. The city has many ethnic groups represented; yet the majority of its population is French-speaking, making it the second-largest French speaking metropolis in the Western world.

The city is unique with a European flavour. Montreal is made up of two parts. The **Old City** is a maze of narrow streets, restored building and old houses. The **modern Montreal** has a beautiful skyline, theatres, museums, nearly 7600 restaurants and glitter light.

Please join us in exploring all that Montreal has to offer. We are sure you will be pleased with this beautiful, clean, and safe city. Please visit the Canadian Society of Hand Therapists website (www.csht.org) for conference details and updates, information about the society and membership application forms. We look forward to your presence at this conference in April 2010.

Sincerely,
