Call for Nominations

Make a difference - Join the Executive!

The Canadian Society of Hand Therapists is an organization dedicated to the advancement of upper extremity rehabilitation in Canada, and beyond, through the promotion of quality of care, education and information sharing.

The CSHT is accepting nominations for Officers for the 2017 - 2020 term. We encourage nominations from members in good standing, with an interest in rehabilitation of the upper extremity, who are dedicated, and wish to actively influence and promote the CSHT.

The executive consists of 5 Members: President, Vice President, Treasurer, Secretary and Communication Director. Meetings are held by teleconference every one to two months and in person, usually once a year at the Annual CSHT conference.

Elections will take place at the annual CSHT conference on April 22, 2017 and the 3-year term will commence immediately following the elections.

This is a great time to be involved with the CSHT. Get involved and make a difference!

Nomination forms and more information on the executive roles can be obtained by contacting communications@csht.org
